Department
for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make

additional and sustainable

improvements to the quality of the PE, School Sport and Physical Activity (PESSPA)

they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2026.**

Activity/Action	Impact	Comments
-----------------	--------	----------

Created by:

PE specialist (Plymouth Argle) supported staff in delivering PE curriculum and CPD.	Pupils received high quality PE lessons. Skills were improved and confidence was gained. PE specialist was able to deliver PE training to other school staff increasing CPD and staff confidence	Continue this provision next year.
Access to Penryn College Sporting fixtures, CPD and PE lead support from Primary PE lead.	100 % of Year 5 & 6 pupils attended taster days for unfamiliar sports.	Penryn College has a great network of support for teachers and pupils. Taster days were a big success and league participation was higher than ever before.
External providers used to enhance KVS sporting development offer through extra clubs and lunchtime focus groups.	Pupils were given access to a wide range of sporting experiences as well as specialist delivery ensuring the best possible outcomes for the children and the school.	More pupils than ever before competed in events across multiple sports. Utilising the best quality coaches has given children the best chance to meet their potential and provided a great opportunity for staff CPD.
Supporting transport costs to and from sporting events.		

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2024/2025)

See complete evaluation on previous grid.

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Key achievements 2025-2026

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Available spend: £17,170 Total spend: £17,035.92

Activity/Action	Impact	Comments
(Key indicator 1) REAL PE subscription to continue. Including online Jasmin scheme of work to ensure complete coverage of PE skills. This will be combined with units of sport specific activity to encourage maximum engagement and progression. PE curriculum adapted by PE lead and sport specialist manager to ensure pupils get the best outcomes throughout their time at KVS both in fundamental skills and in specific sports. £695	Participation: All children took part in one adapted Real PE lesson a week. This has had a positive impact on agility, balance and coordination across the school. Attainment: Children have shown improvement over national average in terms of fundamental skills, in particular agility. Whole School: Fundamental skills and the adaptations to our small steps curriculum have helped connect skills to sporting scenarios more effectively.	Sustainability: Staff have access to local and national training programs and courses to keep up to date with Real PE delivery. Next Steps: Adapt and update the sport focused rotations.
(Key indicators 1,2,4) Provision for PE specialist to support development plans for individuals and groups to maintain high levels of challenge for all pupils. Plymouth Argyle Football Club coach manages 2 hours a week to deliver P.E intervention to individuals with a variety of needs. (Social, emotional and mental health issues, cognition and learning, sensory processing, speech and language). External professionals have worked with a focus on those children who are not achieving the age-related expectations in PE. £5325.00	Participation: Children from all classes have accessed small group interventions to help 'close the gap' in both PE as well as core subject support, particularly in KS1. All children have received extra PE lessons through Friday morning PE with a drive for understanding the process of development in PE. Pupil premium children showed an increase in physical development with 90% making progress greater than expected of the child including children with SEN. Whole School: Activity levels are raised due to extra sessions for all pupils. Intervention pupils have seen greater progress which has led to more SEND and lower ability participation in sporting events across the year.	Sustainability: Support staff have worked with specialist provider (Plymouth Argyle) in order to be able to facilitate the delivery of certain interventions. Next Steps: Club leaders to receive support in delivering high quality sporting clubs to enhance our ASC offer as well as further develop the children's skill, agility and physical development in general.

(Key indicators 1,2,4) Enrich the PE curriculum with the use of specialist Club leaders provided by Plymouth Argyle. This offers more children the opportunity to engage in ASC and physical activity. £630.00	Participation: All children have received specialist coaching. Due to highest level coaching, we have helped more children to reach their potential. The focus has been on those children who are not achieving the age-related expectations in PE who were invited to ASC, focus on KS1 multi-sports. Attainment: 78% of the school attended 1 or more ASC. Whole School: The profile of less mainstream sports has been elevated with a focus on handball and basketball. The latter becoming one of the most popular choices for clubs in 2026-27.	Sustainability: Basketball has been supported by members of staff who have developed their own practice through observations and participation with professional coach. Next Steps: Ensure that Basketball is offered as an ASC. Get in touch with local Basketball club, Falmouth, to engage with the wider community and the natural pathway for children looking to develop further.
(Key indicators 3,4,5) Staff/minibus costs to allow for various trips and camps to be attended by all pupils to ensure all children have access to a wide range of extra-curricular activities to support physical development as well as mental health and wellbeing. £4372.50	Participation: The transport support was used for children across the whole school. In KS2 nearly 45% accessed some sort of competition. Attainment: Children were able to test and improve their ability levels from the extra challenge offered by competing with other schools. Whole School: A good number of children represented the school and felt the value of that responsibility. Children gained valuable experience of what it feels like to compete, gaining confidence to take into other areas of school/personal development.	Sustainability: School has access through TPAT to a Minibus. This has been very sporadic this year and has meant we were unable to attend some events but we have been working with TPAT to address this for 2026-27. Next Steps: Re-build our pool of parent drivers that can support transport of larger numbers of children than the minibus can accommodate.
(Key indicators 3,4,5) Sports day run incredibly successfully with involvement from Plymouth Argyle coaches, sports leaders and a huge parental turnout. £ Included in PA costs	Participation: Plymouth Argyle coaches worked with KVS PE team to create a fantastic sports day experience. Parental turnout was excellent with a huge amount of positive feedback despite the intense heat (which was managed very professionally by SLT and PE leads). The day was a huge success with the children enjoying the changes and new events. 100% of children in the school took part in at least 1 events and most in 5 or more with feedback from parents being 100% positive. Attainment: 100% of children took part in the KS1 or KS2 sports day. We had excellent feedback from parents and children and we improved on the running times from our previous year. Whole School: Children were championed in an appropriate way, attitude was given the highest value and celebrated across the school. The overall attitude of children and staff was exemplary and showed how far	Sustainability: Bands, equipment and event rotation supported by school staff in order to be able to run event as effectively as possible if funding were to change. Next Steps: Continue to develop timing goals for small step approach to personal development. Managed carefully higher up the school.

	we have embedded our school values over the past 5 years.	
(Key indicators 1,4,5) Swimming pool hire, including swimming instructor. £3572.00	Participation: all KS2 attended a set of swimming lessons. Attainment: 94% of year 6 pupils achieved their swimming targets. Whole School: All children including all SEND pupils attended a full run of swimming lessons.	Sustainability: Entry to 2026-27 swimming gala. Next Steps: CPD for staff to support swimming instruction. Minibus hire confirmation from TPAT to reduce transport costs.
(Key indicators 1,3,4,5) Penryn College annual payment to organise and arrange inter-school competitions and festivals with some leading onto county events (School Games). £3,000	Participation: Children have competed in a wide range of sports this year: cricket, basketball, athletics, swimming, netball, football, girls' football and rugby. Attainment: Children have accessed many different competitive and semi competitive events, taster days and training opportunities. As a staff we have been supported by Penryn College primary leaders to ensure our PE offer is as good as it can be. Whole School: 100% of children from upper KS2 have accessed taster days run by Penryn College supporting transition to KS3 as well as upleveling children's knowledge of the sport.	Sustainability: Continued participation in the Penryn Partnership events. Working closely with Plymouth Argyle coaches to improve our long term sporting goals. Improved design for sports club/development clubs to allow for further collaboration with local clubs and other partner schools enhancing the development opportunities for children. Next Steps: We aim to be entering multiple teams to some leagues to allow for development of younger pupils. This will result in more children given opportunities to compete than ever before.

(Key indicators 1,2,3,4) ASC offer has been greatly increased with a wide variety of clubs on offer. Development clubs to run during the half term prior to PP league to give children time to build confidence and ability in order to gain the most from competitive matches. £1350.00	Participation: After school club participation has been incredibly high again in 25-26. (just under 80% of the school attend at least one after school active club) Attainment: We wanted to ensure all children who had requested a place were offered one. We put on additional clubs with members of staff supporting Plymouth Argyle coaches. Whole School: All children have access to a wide range of sports. We have nurtured community links to give further development pathways. Highest quality coaching for each sport has given children the best chance to reach their potential. Sporting success is championed in school and raises the profile of PE and sport in general.	Sustainability: Staff have been upskilled in delivering high quality clubs that engage, develop and inspire children of all ages in school. We have also had sport specialists visit KVS to deliver high quality taster sessions that have been attended by 100% of our UKS2 children. This has been beneficial for staff CPD as well as an opportunity to support a successful transition to KS3 for year 6. Next Steps: *Re-Re-build links with Cornwall Cricket, Cornish Pirates as well as Surf life saving in order to further enhance our offering.
(Key indicator 3) Year 5 pupils to work collaboratively with Plymouth Argyle coaches to deliver PE sessions and coaching sessions to other children within school. £450	Participation: 30 year 5 pupils ran specialist (supported) PE sessions for KS1 pupils. Attainment: 100% of KS1 pupils agreed that they enjoyed the process and we intend to continue this next year. Whole School: Supporting Ks2 sport leaders for 26-27 year to embed leadership qualities and instil values across the school with added responsibility of kit and equipment management.	Sustainability: Pupils from year 5 who worked with specialists, now moving into year 6, will be able to support younger leaders in developing their leadership skills. Sustainable sport leader led lunchtime clubs with appropriate resources aimed at engaging pupils in physical activity during lunch break. Football and hockey lunchtime club to continue (after 2 very successful years) offer more opportunity for all pupils to access club level sports. (Engaging the less active children continues to be a big success. Next Steps: Re-introduce formal sport leaders in both upper and lower KS2. Look to offer teacher/specialist run lunchtime clubs for 30 minutes targeting either those competing for the school in club teams and those looking to partake either this year or in the future. (1 day for elite, 1 day for development etc) This has already been put in place ready for September 2026.
(Key indicators 4,5) Due to support funding the school has been able to participate in more events than ever before. This was, in part, due to staff costs in order to attend with the children. £528.92	Participation: Competitive competitions participation only, club level competition not included. Football – 15 children from year 4-6 participated in Penryn Partnership league. 20 participated in development training matches. Girls' football – 12 Netball – 12 Hockey – 13 Basketball – 10 Rugby – 13 Cricket - 14	Sustainability: Staff have become well versed in supporting children during events and there is a positive attitude towards attending fixtures from all staff. Staff are now well trained in the delivery and coaching/leadership of the sports they lead children in. Next Steps: Targeted support for TA's that cover/support sporting events as well as top up/coaching updates for teachers.

	All children competed in the Sports Day representing their coloured house teams. Intra school competition is regular and encouraged as something positive to learn from and be inspired by. Attainment: Competitive sport has enhanced the experience of all children of Kennall Vale school. Feedback from events is weekly delivered by sport leaders to the whole school. The school values are embodied by those children competing setting a fantastic example for all children aspiring to be part of competitive sport at the school. KVS had success in Hockey as well as Girls Football. Whole School: Positive attitude towards sport from whole school approach towards healthy competition and values within sport. Willingness across the school to take part in sporting opportunities. Such as girl's football specialist days.

Swimming Data

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	94%	As above
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	NO	n/a.
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	YES	This year we used trained coaches from Penryn Primary pool to deliver our swimming lessons supported by school staff who have been previously trained last year. These staff members have gained further experience over the past 12 months across multiple year groups.

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	94%	We have a strong cohort in year 6 who have accessed swimming throughout school.
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	94%	As above
