# Kennall Vale News

Dear Families,

Welcome back and Happy New Year to you all. Despite the flood of illness, I hope you all managed to have a good Christmas.

As mentioned in the last newsletter, we have been developing our new **website**! This has launched today, so please head over and take a look! It's still being updated so some areas will be populated as the weeks go by. The aim is to have all the necessary and up to date information, be accessible and easy to navigate. It's looking great and we hope you find the change useful. <http://www.kennall-vale.cornwall.sch.uk/web>

**After school clubs** start next week. Please make sure that you update us if there are any changes to collection arrangements so the staff/coaches are aware. Any late entries will be added if there is room, otherwise we operate a waiting list until room appears.

Attached to this newsletter is the latest **online safety newsletter**. Please remember to let me know if there is any particular area of online safety you would like more information on—the providers are always happy to have feedback from schools to inform their content.

As you know, our catering is changing from **Autograph to Chartwells**. Parent Pay has been updated to include the new menu and so parents don't need to do anything differently. We're delighted that Carol and Lynne remain as our kitchen staff and they are working hard to ensure the change is as smooth as possible and the quality of the food they serve remains high, tweaking the menus where possible to appeal to the children at KVS.

Year 4 and 5 have been completing their **Bike-ability** cycling proficiency lessons this week. Mark, Tim and Andrew have been very positive in their feedback for the group and the progress made in the sessions. Children learn how to ride safely on a public road, including how to indicate, position themselves on the road and anticipate hazards.

Have a great weekend,  
Mr Chirgwin
