Kennall Vale News

Dear Families,

Our **clubs** have got off to a flying start this week—I think this is a KVS record for how many clubs we have on offer, and how many children are participating! - 13 clubs each week! Roller-skating is an exciting new addition and it's great to see parents getting involved and supporting their children to do this. We also have Coding club for the first time—thanks to Lowry Vivian for organising this and to the parents who are delivering it each week. Please remember to pay the office the club fee of £1 a session (£10 for the whole term) so that we can afford to continue this offer.

Please can parents ensure **Pre-School** and School are notified if you intend for your child to attend after school club at the Pre School—this avoids wasted time at the end of the day chasing up arrangements.

A reminder that the school will not be affected by next week's **strike action**. All classes will be open as usual on Tuesday.

Please see attached the latest **Online Safety Newsletter**.

Sports Day will be held on Tuesday 11th July! We are continuing with the highly successful model from last year that increases pupil involvement and opportunities for families to watch. Piskies and Comoran will take place in the morning; Morgawr, Zennor and Bedruthan in the afternoon.

Touch Rugby Match Report

It was our first two games of the season. The first was against Perran-ar-worthal and we drew 1-1. Livvie scored an amazing try! The second game was against Flushing and we won it 2-1. Livvie and Stanley scored their tries by boldly running through gaps in the oppositions defence. The whole team was great with their defensive line and pushing up, but we will continue to fine tune our tactics!

By Freddie

Enjoy the long weekend,

Mr Chirgwin

Attendance Target for the year: 96% and above

Week beginning 17th April 2023	
Piskies	94.6%
Cormoran	98.8%
