# Kennall Vale News

Dear Families,

Sport kicked off this week with Kennall Vale representing in both Football and Netball at Penryn College as part of the Penryn Partnership league. See match reports and team photos on the next page! We also had our Year 5's completing their Level 1 Bike-ability cycling proficiency on Tuesday.

Please see attached October's **Online Safety Newsletter**. Parent's are also invited to an '**Online Safety at Home**' webinar that takes place on 6th October at 7pm. Follow this link to access this: <https://www.youtube.com/watch?v=CpFspt6fgfg>. The webinar will cover the following topics: 'addressing online safety at home' and 'how to spot unusual behaviour', such as grooming and online bullying. The webinar will also include advice on gaming, screen time, social media and messaging apps.

The cost of living is affecting more and more people at the moment. Kennall Vale school has contacted **Penryn and Falmouth Foodbank** to see how we can support the local community. For this year's harvest festival, we will be asking for donations to the local foodbank. We will be collecting items for the remainder of this term and I will send a list out of the type of items that are required. Furthermore, Kennall Vale has now become partnered agency with Falmouth and Penryn Foodbank. I would encourage anyone who is in crisis and facing economic difficult to make contact with me in person or by emailing me at [head@kennallvale.tpacademytrust.org](mailto:head@kennallvale.tpacademytrust.org); I will be able to give you a **food voucher** to access support from the local foodbank. Furthermore, if you know of anyone in our community, even if they don't have children at Kennall Vale, who are vulnerable and would benefit from this support, please do pass on my details and encourage them to make contact.

In October 2021 Arts Council England announced funding of £2,780,000 to build a network of schools that will test a range of innovative approaches to teaching for creativity. Kennall Vale, alongside the Penryn Partnership will be exploring the question: '**Does the teaching creativity across the curriculum lead to young people who are better prepared for their future in a changing workforce?**'. Miss Fenton is leading the action research at Kennall Vale and will be sharing much of this process with you soon!

Have a great weekend,  
Mr Chirgwin

## Kennall Vale's Netball and Football Teams

On Wednesday, we played Mylor Bridge in netball. The team was pretty good - actually, we were awesome! Ella scored once, Libby scored twice and Merryn also scored once. The final score was 4 -2 to us! Next week ,we are playing Stithians.
